

At the 1st Bank & Trust in Broken Bow, Oklahoma, visitors are greeted as they enter by a large, stalwart bison. Stromberg Architectural Products fabricated the life-sized bronze sculpture that guards the entrance to the bank. At Stromberg, we are an industry leader in the fabrication of sculpted animals. With 100,000 square feet of manufacturing space, Stromberg has consistently produced first rate statues, sculptures and larger-than-life-sized reproductions of animals in a wide variety of materials and finishes.
