

SOUTH RIDING PROFESSIONAL CENTER

chantilly, virginia

This professional office center was completed in 2008 and boasts custom features in each suite which can range from 1,651 to 30,000 square feet in size. The two-story structure was designed with flexible space plans and is located near two medical campuses in Chantilly, Virginia.

Stromberg Architectural Products was called on to produce the custom cornice for this first-rate office building. The cornice was fabricated with Stromberg's Glass Fiber Reinforced Concrete (GFRC).
